

BLANKET PURCHASE AGREEMENT
GSA FEDERAL SUPPLY SCHEDULE

In the spirit of the Federal Acquisition Streamlining Act, the Department of the Treasury and Ernst & Young, LLP enter into this Blanket Purchase Agreement (BPA) to further reduce the administrative costs of acquiring repetitive services from the General Services Administration (GSA) Federal Supply Schedule (FSS), Financial and Business Solutions (FABS) Contract GS-23F-8152H.

Federal Supply Schedule BPAs eliminate contracting and open market costs such as: the search for sources; the development of technical documents and solicitations; and the evaluation of bids and offers. Contractor Team Arrangements are permitted with Federal Supply Schedule contractors in accordance with Federal Acquisition Regulation (FAR) Subpart 9.6 and are encouraged.

This BPA will further decrease costs, reduce paperwork and save time by eliminating the need for repetitive, individual purchases from the Schedule contract. The end result is to create a purchasing mechanism for the Government that works better and costs less.

Treasury may waive potential or other identified conflicts of interest and require that the Contractor perform task order work under this BPA. Failure to proceed with task order work under these circumstances may be cause to terminate this BPA.

- (2) Delivery:

The contractor may not exceed the discounted rates set forth in Attachment 1 during performance of any task order. However, further discounts may be negotiated per task/delivery order.
